

Hollard EPIC

Educational Institution Personal Injury Cover

Education is one of the best investments
you can make in a student's future

Teamwork between parents and educators who invest in the future and well-being of their children tends to produce students who show higher aspirations and motivation. They are also more inclined to participate in group sports and activities, all of which contribute positively to realising their potential.

Hollard EPIC allows educational institutions to stay prepared and confident that if an accident occurs, they have partnered with a leading insurer they can trust. From minor strains to more serious injuries, we ensure that students and/or employees receive the correct treatment in the event of school-related injuries.

Hollard EPIC further protects both students and educational institutions from major catastrophic accidents that can have devastating effects on both the educational institution and their families of the students.

What is covered:

- **Comprehensive coverage:** From minor mishaps to unforeseen accidents, our policy has students and/or employees covered both on and off school premises, as long they are engaging in a school activity.
- **24/7 protection:** Accidents don't follow a schedule, but our policy does! Students and/or employees are safeguarded around the clock whilst engaging in any school activity, ensuring there is always protection.
- **Efficient claims processing:** We understand the need to provide assistance promptly. That's why our claims process is designed with efficiency and convenience in mind. Our highly trained claims professionals will ensure that your experience is one to be remembered with care and dignity at the forefront of the experience.
- **Affordable and flexible peace of mind:** Quality protection doesn't have to break the bank. Our policy can be designed to meet the needs of the educational institution, including affordability, so that both students and/or employees can focus without financial worries.
