GENERAL TERMS OF THIS POLICY

3. Our Contract with You

Your insurance Policy is a contract of insurance between you and us. The contract comprises the following documents:

- This Policy Document including all endorsements issued by us.
- The most current Schedule of Benefits we provided to you.
- The most current Certificate of Insurance we provided to you.

Read these documents together because they establish the terms and conditions of your Policy.

In return for payment of the premium, we will provide insurance cover as detailed in this Policy, your Certificate of Insurance and any endorsements issued by us. This Policy provides details of the cover available for your pet. The Certificate of Insurance and Schedule of Benefits sets out the level of cover you have selected, the limits of cover, any exclusions, the Policy period and the excess payable by you for claims.

4. Your Duty of Disclosure

We rely upon the information you provide us to decide whether to insure your pet, and the terms under which insurance will be provided. South African law requires you to tell us about certain matters that enable us to make that decision. This is known as your Duty of Disclosure.

To comply with your Duty of Disclosure when first entering into an insurance contract with us, you must tell us everything you know and that a reasonable person under the circumstances could be expected to tell us.

To comply with your Duty of Disclosure when you renew, extend, reinstate or make changes to your Policy, you must tell us everything that you know and, which a reasonable person under the circumstances could be expected to know is relevant to our decision whether to insure or continue to insure your pet and, if so, on what terms.

If we become aware of any information which was not disclosed (intentionally or unintentionally), we reserve the right to apply underwriting restrictions to your Policy retrospectively. These restrictions may include, but are not limited to temporary exclusions, total exclusions or even cancellation of your Policy.

You do not have to tell us anything that:

- is regarded as common knowledge
- decreases the risk we are insuring
- we already know or have been advised of
- we ought to know through our business
- we indicate we do not want to know

5. Understanding the Limits of this Insurance Policy

It's important to remember that an insurance Policy cannot cover every scenario. For example, there will also be a portion of the veterinary bill that you will need to pay yourself in addition to the portion that is covered. The policies have some general exclusions and limitations that help keep the premiums low. Please make sure you read the relevant sections.

6. Conditions of Cover

The following terms and conditions apply to all sections of the Policy, unless amended by an endorsement to your Policy, or the condition is altered or amended under another section of the Policy.

- 6.1 Unless otherwise disclosed, at the Start Date of this Policy, your pet must be in sound health and free from any injury, physical disability and/or congenital or hereditary defect whatsoever. If your pet has a pre-existing condition then it must be declared prior to the start of the Policy.
- 6.2 Unless otherwise stated and agreed by us in writing, your pet must be between 8 weeks and 8 years of age at the Start Date of this Policy. Once the Policy commences, cover may be kept for the lifespan of your pet, provided your premiums are up to date.

- 6.3 You must be the sole owner of the pet.
- 6.4 Your pet must reside with you and be under your care at the physical address you have provided us.
- 6.5 You must provide reasonable care of your pet at all times and ensure that it is kept in good health, it is fully vaccinated as per your vet's recommendation and is not knowingly exposed to situations that may result in injury or illness. If an injury or illness does occur, then you must take all reasonable steps to facilitate prompt treatment and recovery to minimise complications, and to prevent recurrence of that condition. You must abide by the laws or by-laws pertaining to the well-being and safeguarding of pets. If you fail in your duty of care then a claim under this Policy may be denied.
- 6.6 Your pet must be kept for domestic purposes and not used for commercial purposes unless specifically agreed to by us in writing. This includes, but is not limited to, using the pet as police or guard dogs, search/rescue or customs/quarantine dogs or pets used for racing, laboratory testing or experimentation.
- 6.7 If a claim arises under this Policy and there is any other insurance or arrangement in place covering the same incident, condition or risk, we will base our benefit on an equitable proportion of the costs and expenses incurred.
- 6.8 You agree that your Vet (either current or previous) is authorised to release information and/or records to us regarding any pet covered by this Policy. We will not pay for any fee charged by your Vet for the provision of this information.
- 6.9 We will not guarantee verbally on the phone whether a claim is reimbursable. We will let you have our quotation in writing once we have received a detailed Vet estimate for the proposed treatment.
- 6.10 Should you elect to change the level of cover for your insured pet, please communicate your request to us in writing. Hollard Pet Insurance reserves the right to apply new underwriting rules to this application.
 - 6.10.1 Changing the level of cover can only be undertaken once in a lifetime of your pet's Policy and can only be effective on the anniversary of your pet's insurance Start Date, unless specifically agreed to by us in writing.
 - 6.10.2 Should the change of the level of cover requested be from the Accident Only option to a Comprehensive option, your pet must be under 8 years of age at the time the requested change would be effective.
- 6.11 If requested, you agree to submit your pet for an examination by a Vet selected by us for a second or independent assessment of a condition that is the subject of a claim. Where the diagnosis provided by this independent Vet confirms a condition that is excluded under this Policy then all costs incurred will be for your account and any pending claims for treatment of this condition will be denied.
- 6.12 If we revise any of the terms and/or conditions of our Policy and those revisions result in extended or broadened cover without any additional premium, then we will apply that extended or broadened cover to your Policy from the date that these are introduced.

7. Claims Procedure

- 7.1 **What you need to do:**
 - 7.1.1 The following documents are required:
 - A completed Claim Form.
 - A detailed invoice.
 - A proof of payment (e.g. credit card slip, bank statement, receipt from vet).
 - A copy of your pet's Veterinary history is required at the time of joining.
 - If it is not received, it will be requested when you submit your first claim for each pet. This will result in a delay of your claim.
 - A vaccination card is not sufficient.
 - 7.1.2 All claims must be submitted and received by us within sixty (60) days of the treatment being provided.

- 7.1.3 You must sign the claim form.
- 7.1.4 The attending Vet must complete the section on the claim form where designated. We will not pay for any fee charged by your Vet for assistance provided to you in the completion of a claim form.
- 7.1.5 Please ensure that the full diagnosis is included on the claim form and/or on the Vet invoice.
- 7.1.6 You must take all reasonable precautions to protect your pet from aggravating the illness or injury during the post-operative or recuperation period.
- 7.1.7 You must allow us access to all Vet medical records to support the claim. You may be asked to provide this information in support of a claim.
- 7.1.8 You agree that we have the right to decline a claim where you or your Vet refuse or are unable to provide information reasonably requested by us to process your claim.

Please note: Incomplete claim submissions will be returned to you and this will result in delays processing your claim.

7.2 What we will do:

- 7.2.1 We will deal directly with you regarding settlement of the claim.
- 7.2.2 We will reimburse you, NOT the Vet.
- 7.2.3 We receive and process claims daily to provide you the best possible service. We will reimburse you within 14 working days upon receipt of a claim, provided all the required documentation is received.
- 7.2.4 We will send you a letter/claim advice regarding the settlement of your claim that will provide details of how your claim has been dealt with.

7.3 Rejection of claims and time bar

We are not liable after 12 (twelve) months have expired from the date of the occurrence that gives rise to a claim unless the claim is the subject of a pending court action between you and us, or is the subject of arbitration, or is a claim for sums which you may become legally liable to a third party.

7.4 What if you have other insurance

If you have more than one Policy in place that covers the same insured event, the full amount of the claim will be split between the different policies. The cover you have under each Policy will determine how we split the claim amount. You may not claim under your other Policy for any amount that we have paid you under this Policy.

7.5 Our responsibility ends after we have paid a claim

Once we have paid a claim, we have met our responsibilities to you in terms of this Policy. We will not be responsible for any other costs relating to that claim. If you do not agree with our claims decision then the following options are available to you:

7.5.1 Complain to Hollard

You may also choose to take legal action against us without first asking us to review our claim decision or contacting the Ombudsman for Short-term Insurance. If you take legal action against us before contacting the Ombudsman, you can only approach the Ombudsman for assistance after you have withdrawn the summons against us.
